## Anti-tear Menus

**Anti-tear waterproof menus** can be an ingenious way to save money if you're in the restaurant business. These menus can be **easily wiped clean** daily and will last for a very, long time without being laminated. At **COPI LLC** we can transform your menu into a tantalizing and mouth-watering, menu that will not only entice your customers to buy your delicious food but the menu itself is extremely durable. Menus can be designed and printed in a variety of sizes and can be ordered in small quantities so to allow opportunity to change your menu options as frequently as you like. This affordable option offers the flexibility to change your menu as much as you need to without breaking the bank.

**COPI LLC** is a **digital commercial printing, copy center, and graphic design company** located in **Montoursville** that offers over 25 years experience in the commercial printing industry. Our designer is detail-oriented and focused on providing you with the best quality product possible. We offer a lot of unique products that can be produced on premise and in most cases, offer small quantity runs.
