Small Paper Boxes

Printed **small paper boxes** can be customized with you or your company's logo for any occasion. Wouldn't a **customized box** be perfect as a wedding favor with a lovely, gourmet cupcake placed inside? Let **COPI LLC** personalize it by designing it around your wedding theme or by adding photos of the happy couple. It can be an elegant way to share your special day with your guests. As a birthday party favor, you can stuff it full of little trinkets or treats for that special birthday boy or girl. A **personalized box** can also be used to hand out as a gift to clients that have made your business the success it is today.

Small paper boxes are available in 2", 3" and 4" square configurations, and will add that unique touch to your event.
